SHOUT OUTZ

UT Student Government, the sewage smell that creeps into our office during late nights, incense, embryo farming, religious cults, Dan Rather, Ted Koppel, Ed Norton, lomega, shoehorns, navel rings, 'cruisin' for Kitties,' dogs playing poker, SANCHO, inside jokes, shitty network hubs, Dell laptops, Wacom tablets, Photoshop (thank you for allowing us to exist), 5:15 a.m., German play production classes that have auditions the day after issue deadline (thanks!), finally getting off my ass and finishing the webpage, Miller High Life (The Champagne of Beers), Carl Malone, the Houston Rockets, the San Antonio Spurs, the Dallas Cowboys, and the Austin Icebats—just kidding, Texas Student Publications, the homeless guys that sit in front of Hole in the Wall twenty-four hours a day (hey, at least that one guy's friendly), advertising classes, the RTF department for denying my application, Daily Texan in-house ads, Rockstar Games, Grand Theft Auto: Vice City, Toejam & Earl (the greatest game ever), tabloids, and most importantly, the greatest publication ever—the *Weekly World News*.
